

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF TWENTYNINE PALMS**

NAME: KEVIN COLE

AGE: 38

OCCUPATION: Incumbent

Please Reelect Kevin Cole for City Council. I have worked hard to educate myself on all facets of city government, including Parks and Recreation, Public Works, Redevelopment law, Planning and Zoning, Public Financing, and Personnel. I have great working relationships with our representatives at the Federal, State, and County levels, as well as other cities in our region. These partnerships mean thousands of dollars to the city yearly. During my time on the council we have accomplished many things, including base annexation, a beautiful park system (including a new skateboard park), the addition of a traffic officer, the renovating the public transportation system, a balanced budget (including years when the state took large chunks of our revenues), and much more. It is my hope that we can leverage our new growth to attract quality retail and commercial ventures. It will take experienced leadership to navigate our city through these challenging times. With our newly hired staff and newly elected Councilmembers, I am that experienced candidate. I support well-planned, quality growth for our city and want to represent and protect the interests of all our citizens. I have grown up in this community and have a vested interest in its vitality.
